

# Aspiring Community Program Application

---

*The Aspiring option is for communities that are exploring downtown revitalization, but that may not have the resources currently in place to support an Affiliate Community Program or a Certified Main Street Program. It provides access to all Wyoming Main Street training and limited on-site assistance, as resources permit. The applicant may be the local government, or a partnership of local government and a private sector organization. Please see the **Program Guidelines** for more information.*
